Water Supply

Inhabitants of Doddaballapura praying for a ... to the town. Enquire how the matter stands

Note

The three petitions received at this Office from the inhabitants of Doddaballapura praying for water supply to the town by means of pipe were forwarded to the Dy Comr, Bangalore District. No report has yet been received from him. Even if one is received, it is not likely to ~~throw~~ any useful information as ~~to~~ the scheme to supply water to the Doddaballapura Town from the Rajachatta Tank on the Nandidurg road ~~has~~ was investigated by the ~~Superintending Engineer~~ Public Works Department and has been abandoned, as the tank is rarely full and the supply will be only to parts of the town

and even that not sure during years of drought. (Please see the linked file).

Rev: and Genl Depts

Sir

With reference to your official memo No. 6756/L7303-96 of the 3rd November 1902, calling for a report on the petition of the citizens of Dodballapur, praying for the supply of water to their town I have the honor to state that the petition which was received with your memo—

No 14917/27303-96 of the 9th May 1902, was sent to the Superintending Engineer of Sanitary works for the preparation of an estimate. He, on inspection stated that the water of Ramana's pond which is the only source of water supply does not appear to be appreciated by the people as good and asked for sample water to be sent to Chemical Examiner. Accordingly, the sample water was sent to him (the Superintending Engineer). He stated that the scheme would cost about Rs 28,000/-

2. The petition that was received with the Secretary's memo No 19540/27303-96 of the 23rd June 1902, was sent to the Amildar to

to inform the Petitioners of the fact alluded to in para 1 above.

3. The enclosure of the memo under reply is herewith returned.

I have the honour to be
Sir,
Your most obedient Servant,

President.
